

ITEM	DESCRIZIONE PART NAME DENOMINATION	MATERIALE MATERIAL MATERIELE
KIT A - valvola / check valve		
6320.1	o-ring	NBR
6320.2	o-ring	NBR
6330	otturatore / wing valve / clapet	INOX SS 304
6340	appoggio otturatore / wing valve support / support de clapet	INOX SS 304
6344	seeger	INOX SS 304
KIT A * - valvola / check valve		
6320	guarnizione / gasket / joint	NBR
6330.1	otturatore / wing valve / clapet	INOX SS 304
6340.1	appoggio otturatore / wing valve support / support de clapet	INOX SS 304
6360	molla / spring / ressort	INOX SS 316
KIT B - supporto superiore / upper support		
1140	supporto superiore / upper support / support superior	PPO+PA
2460	bussola distanziatrice / spacer sleeve / douille entretoise	PPO
3412	bussola supporto / support sleeve / duille de support	INOX SS 316L
KIT C - supporto intermedio / intermediate support		
1471	disco / disk / disque	PPO+AISI 304
2460	bussola distanziatrice / spacer sleeve / douille entretoise	PPO
3044	supporto intermedio / intermediate support / support intermédiaire	PPO+ PA
3420	bussola supporto / support sleeve / duille de support	INOX SS 316L
KIT D - supporto inferiore / bottom support		
1471	disco / disk / disque	PPO+AISI 304
1910	supporto inferiore / lower support / support inférieur	PPO+PA
3411	bussola supporto / support sleeve / duille de support	AISI 316L
KIT E - albero con giunto / shaft with coupling		
2110	albero / shaft / arbre	AISI 420
2910	vite / screw / vis	AISI 304
2911	rondella / washer / rondelle	AISI 304
3650	rondella spallamento / up thrust washer / rondelle de butée	AISI 304
3652	distanziale / spacer / entretoise	PA
7000	giunto / coupling / accouplement	AISI 420
KIT F - copricavo / cover cable		
2920	4x vite / screw / vis	AISI 304
2930	2x graffetta / clip / clip	AISI 304
8361	copricavo / cable cover / couvre-câble	AISI 304
1130	aspirante / bottom casing / corps d'aspiration	AISI 304
1410	diffusore completo / complete diffuser / diffuseur complet	PPO+AISI 304
1414	tubo distanziale / spacer pipe / tube entretoise	AISI 304
2250	girante / impeller / roue	PPO
6310	corpo valvola / top casing / corps du clapet	AISI 304
6310.1	corpo valvola / top casing / corps du clapet	AISI 304
6531	griglia / grid / grille	AISI 304
8210	tubo esterno / external pipe / tube extérieur	AISI 304
